Patient Visitor Policy
Thank you for visiting Reading Hospital and welcome to our safe environment. The hospital’s core visiting hours are 8 a.m. to 8 p.m. for most patients. Exceptions to this policy will be accommodated for ICU, maternal and Hospice patients. Additionally, all visitors are required to register at their point of entry and will receive a visitor pass that must be worn or visible at all times. This will help ensure a better and safer flow of visitor traffic.

Patients and visitors can access the hospital at any one of our public entrances. These locations are prominently marked on the map to the left and include hours of operation.
