You have the right to "opt-out" or decline to participate in the communication is face-to-face or consists of a promotional following circumstances:

Appointment Reminders

We may also disclose information to doctors, nurses, technologists, therapists, medical students and other healthcare professionals who may be treating you or are performing services for you. For example, if one doctor is performing surgery and another doctor is doing follow-up, their office may use your health information to communicate with each other about your care.

We may use and disclose health information about you so that we may run the Tower Health entities and make sure that all our patients are doing and see where we can make improvements in the healthcare. These activities generally include the following:

- To administer our healthcare business operations and not otherwise required by law;
- To review information about a surgery that you had.

We understand that information about you and your health is private and that you may not want it shared with others. We appreciate your trust in us to appropriately safeguard the privacy of your information.

We will use and disclose health information about you to comply with the law, including the law of the United States and any applicable state law.

To request confidential communications, you must make your request in writing to the Privacy Officer at the affiliated institutional to provide you with healthcare and to protect your health and safety. This right also applies to certain other personal information about you in certain circumstances.

If you do not wish to be contacted by Fundraising offers, you may also request in writing that we limit our use of your personal information. We will not refuse to communicate with you for treatment, payment, or healthcare operations purposes.

Your Rights Regarding Health Information About You
