**Director, Speech and Hearing Department**

Dr. Swigart received her doctorate and master's degrees in Speech and Hearing Science from The Ohio State University and post graduate training in pediatric audiology at NYU Medical Center. She joined Reading Hospital in 1980. Dr. Swigart is also director of the cochlear implant program at Reading Hospital. She has clinical interests in pediatric audiology, cochlear implants and neonatal hearing screening. She has published in the areas of newborn hearing screening, cleft palate and auditory perception.

**Pediatric and Adult Audiology**

Dr. James received her Doctor of Audiology from the Pennsylvania College of Optometry, Division of Audiology and earned a master's degree in Audiology from Pennsylvania State University. She joined Reading Hospital in 1991. Dr. James has clinical interests in auditory processing disorders, cleft palate, comprehensive hearing testing for adults and children and hearing aid evaluation and fitting.

Dr. Galan received her Doctor of Audiology degree from Bloomsburg University and completed an externship at Reading Hospital. She previously served as an audiologist for a private ENT practice. Dr. Galan's clinical interests include cochlear implants, comprehensive hearing testing for adults and children and hearing aid evaluation and fitting.

Dr. Gargiulo received her Doctor of Audiology degree from Bloomsburg University. She previously served as an audiologist for a private practice in New York and joined Reading Hospital in 2016. Dr. Gargiulo’s clinical interests include cochlear implants, comprehensive hearing resting for adults and children and hearing aid evaluation and fitting.

**Pediatric Speech-Language Pathology**

Megan Rutherford received her master’s degree in Speech-Language Pathology at Boston University. Prior to joining the speech-language pathology staff at Reading Hospital in 2010, she served as a speech pathologist in North Carolina public schools. Ms. Rutherford has clinical interests in cochlear implants, auditory-verbal therapy, and diagnosis and therapy for the pediatric outpatient population.

Michelle Weaver received her master’s degree in Speech-Language Pathology from the University of Alabama. Prior to joining the speech-language pathology staff at Reading Hospital in 2015, she worked as a speech therapist in the Philadelphia school district. Ms. Weaver has a clinical interest in the diagnosis and treatment of the pediatric outpatient population.

Courtney Menges received her master’s degree in Speech-Language Pathology from Clarion University. Prior to joining the speech-language pathology staff at Reading Hospital in 2017, she worked as a Speech Pathologist in the Hartford County Public Schools. Ms. Menges has a clinical interest in diagnosis and treatment of the pediatric outpatient population.
