READING HOSPITAL

Advancing Health. Transforming Lives.

The cancer team at Reading Hospital McGlinn Cancer Institute is committed to delivering the most compassionate and highest quality of care to our patients. Additionally, McGlinn Cancer Institute offers some of the most innovative programs for the prevention, detection and treatment of cancer.

Through your support, your contribution will enable our team to continue to promote our abundance of services to the communities we serve, expand access to clinical trials and purchase the latest in cutting-edge technology, allowing our patients to receive advanced care close to home.

With the sustained generosity of our donors, patients will be afforded special comfort care items and access to customized programs to aid in their healthcare journey. Your donation may also grant opportunities for continuing education of our specialized professional team.

Whether you are a longtime supporter or are just joining the wonderful community of people who support McGlinn Cancer Institute, thank you for partnering with us in pursuing our mission.

With your donation, you not only bestow resources, but rather you become a part of our team. Together we will continue to make progress towards our mission to prevail over cancer. We are grateful for all of the ways our friends contribute to a brighter future for our patients in and around our community.
