NURSING

SHADOW PROGRAM

reading.towerhealth.org/sohs

Reading Hospital School of Health Sciences reserves the right to make necessary changes to the Program, curriculum, costs, policies, procedures, and calendar. The School reserves the right to clarify any information printed on the website or in official School publications. Reading Hospital School of Health Sciences operates without distinction to age, race, color, religion, gender, disability, sexual orientation, national origin, or economic means.

You can't learn everything about a nursing career in one day. But you can get a first-hand look at hands-on learning at its best!

The Shadow program gives individuals interested in a career in nursing a closer look at our Nursing Program. Attendees will spend a few hours observing classroom instruction and simulation, meeting faculty and students, and touring the School to get an understanding of the student experience at Reading Hospital School of Health Sciences.

Schedule for the Day

Your Experience will include:

- Welcome by an instructor
- Classroom observation
- Nursing simulation laboratory observation
- Tour of the School of Health Sciences
- Admissions information
- Meeting with Admissions, upon your request

On-site parking is available for the day.

Selection of Participants

- Complete Shadow Request Form (*found on our website or through the Admissions Office*)
- Complete Shadow Permission Form for High School students
- Brief written statement as to why you wish to shadow a nursing student

The Shadow Program forms can be found at <https://reading.towerhealth.org/academics/health-sciences/programs/nursing/nursing-shadow-program/>

For more information, please contact the school at 484-628-0100.

**Participation in the Shadow Program does not guarantee admission to Reading Hospital School of Health Sciences.*
