Note: This is the official school academic calendar for all programs at RSHS. The school building may be closed/locked to student access and there will be no shuttle service when the school is listed as closed/on break/ holiday. Students requesting access to the school during breaks/ holidays should consult with the Program Director or school official to verify building access before coming to the school. On days when the school is closed, students are given the entire day off. Therefore, no assignments (including clinical preparation) are required on a day when the school is closed. Make-up assignments may be required for classroom or clinical hours missed due to weather, natural disasters, or any other unforeseen events requiring cancellation of classes. The need for make-up hours may result in changes to the academic calendar and the addition of make-up days on any day of the week or at the end of a semester.
