

Reading Hospital Rehabilitation at Wyomissing Visitor Restrictions

Due to the rapidly evolving COVID-19 situation, the following visitor policy is in place at Reading Hospital Rehabilitation at Wyomissing facility until further notice:

- No visitors, except medically necessary visitors will be permitted.
- In addition, no children under the age of 18 or pets will be permitted.

We understand that this measure will be a hardship for our patients and their families. We encourage families to consider telephonic or electronic communication methods to stay connected to their loved one. We will be happy to deliver items dropped off at our Reading Hospital Rehabilitation at Wyomissing security desk to your loved one.
