Medical Imaging Program

2020/21 Academic Year - Tuition - Fees

For Students beginning the 2019 Spring Semester

First Year																																																																																									
** DUALY ENROLLED STUDENTS - The course titled "THE 210" satisfies a Medical Ethics requirement for the RHSHS MI certificate, and also satisfies the Philosophy/Theology requirement for the Alvernia University Associate of Science degree. Students may elect (prior to enrollment in the program) to take an equivalent Medical Ethics course in place of THE 210 to meet the RHSHS program requirements. However, additional coursework may be required to also meet the AU Philosophy/Theology requirement. It is highly suggested that the student meet with the RHSHS admissions staff to verify course transferability prior to enrolling in a substitute course.
