

As of July 1, 2020, professional nursing programs that participate in Title IV HEA funding are required by the Department of Education Regulation 34 CFR 668.43 (a) (5) (v) to disclose to current and potential students if the Reading Hospital School of Health Sciences Nursing Program curriculum meets, does not meet, or has not determined whether the curriculum meets the educational requirements of all states and jurisdictions. The chart below provides the above information.

Reading Hospital School of Health Sciences Nursing Program		
States/jurisdictions where the institution's curriculum meets state educational requirements for professional licensure or certification.	States/jurisdictions where the institution's curriculum does not meet state educational requirements for professional licensure or certification.	States/jurisdictions where the institution has not made a determination of whether the curriculum meets educational requirements.
