

Discover the Possibilities at Reading Hospital School of Health Sciences!

There has never been a better time to learn more about Reading Hospital School of Health Sciences and discover why we are the perfect place to begin your career as a health service provider.

Join us for one of our **In-Person Presentations** for a chance to learn more about admissions, financial aid, student services, and ask questions. In addition to the welcome and admissions sessions, guests can choose to attend one of our 50-minute breakout sessions to learn more about your particular program of interest. Faculty will present information on the following programs:

- Diagnostic Medical Sonography
- Emergency Medical Services
- Nursing
- Medical Imaging
- Surgical Technology

For more information on the school policies, consumer information, and tuition and fees, visit our website at www.RHSchoolofHealthSciences.org

Health and Safety Measures on Campus

We will be following COVID-19 guidelines for all events. Guests will be required to wear a mask at all times while in the building unless they are fully vaccinated. Fully vaccinated is defined as two weeks after the final vaccine is administered. If you are experiencing symptoms of COVID-19 or are just not feeling well, please do not come to any events. In the event that we are not able to do the event in person we will let all registered guests know and the event will be made virtual.
